# 2016 MDCC RETROSPECT

## Mary Ruth

The 2016 Mississippi Delta Community College Retrospect is dedicated to Mary Ruth Brindley in appreciation for her many years of service to our school and students. Brindley, chairperson of the college's Division of English, has taught composition and literature classes at MDCC for 20 years. She earned her Bachelor's degree with a double major in English and History from the University of

Memphis and her Master's degree in English from Delta State University. Prior to her years at MDCC, Brindley taught English at Indianola Academy and History and English within the Indianola Public School district for twenty years.

Her impact on the students of the Mississippi Delta is immeasurable. Current MDCC English Instructor Jenni Hargett is a former student of Brindley's at Indianola Academy, and she acknowledges that "Mrs. Brindley has a reputation among students as a challenging instructor, but those students brave enough to enroll in her classes at MDCC soon come to appreciate her love of teaching and enthusiasm for her subject matter."

A number of Brindley's students have produced writing that has been submitted to the Mississippi Community College Creative Writing

Association Student Writing Competition.

To say that Brindley is well-respected by her peers is an understatement. In 2015 Brindley was recognized as the Higher Education Awareness Day Working toward Academic Excellence (HEADWAE) Instructor of the Year. Sponsored by the Mississippi legislature, the award honors academically talented students and faculty members of Mississippi's higher education institutions who have made outstanding contributions in promoting academic excellence. "Mary Ruth is a valuable faculty member and division chairman at Mississippi Delta Community College. She is so deserving of this outstanding honor," according to Carol Walden, MDCC Vice President of Instruction.

She was also the 2011 Humanities Teacher of the Year. The Mississippi Humanities Council partners with every institution of higher learning in the state each year to recognize outstanding teachers in the humanities, and recipients of Humanities Teacher Awards are asked to deliver public lectures in their chosen fields of study during National

Arts and Humanities Month. Brindley, a seasoned traveler herself, presented a lecture entitled Broadening Your Horizons through Travel to faculty, staff, students, and visitors to MDCC.

In 2007 Brindley was recognized as a William Winter Scholar. This honor is reserved for Humanities Division students, faculty members, and professionals from Mississippi's universities, colleges, and community colleges in recognition of outstanding contributions in the humanities field. After being nominated by

her peers at MDCC, Brindley was honored at the Natchez Literary and Cinema Celebration where she met former Mississippi Governor William F. Winter, after whom the

Brindley and her husband share drinks with friends, including MDCC History Instructor Jeffrey Thompson and Debbie Woodruff, in Heurigen in Neustift, Austria, an area right outside of Vienna. All around Vienna is the Wachau Valley which is a large wine producing area. The Heurigen is a wine garden restaurant. When the new wine comes in, people come to taste the new wine and eat a wonderful dinner.

scholarship is named and who serves as director of the proceedings.

She was also honored at the 2002 Lamplighter Conference. Each year Mississippi faculty members at institutions of higher learning recommend outstanding instructors for participation in the Lamplighter Conference. The

conference is designed to recharge and invigorate faculty who shine on their individual campuses, while also providing an opportunity to recognize faculty who go above and beyond what is required.

Brindley's love of history and her passion for travel often fuel the lectures in her literature classes at MDCC. Her ability to make history real for her students was evidenced when Brindley was recognized by the United States Holocaust Memorial Museum for her work in Holocaust education in 1997. She hosted a Holocaust Awareness Conference for Middle and High School teachers in the Mississippi Delta

and earned recognition as a United States Holocaust Memorial Museum Teacher Fellow.

Both Brindley and her husband, John, are longtime supporters of Indianola's Mid-Delta Arts Association (MDAA).

In 2013 the MDAA Board of Directors named the theatre building in Indianola the "Brindley

Theater" in honor of Mr. and Mrs. Brindley's gifts of vision, passion, dedication, direction, and talent that have been crucial to the success of MDAA.

She and John are also active members of the First United Methodist Church in Indianola where John is director of music.

The Brindleys have two children, John (wife Myra) of Memphis, TN, and Anne (husband Ray Comer) of Aberdeen, MS. They have four grandchildren: Claire and Collin Brindley and Brindley and Allie Comer.

Brindley led a tour of Germany, Austria, and Switzerland in 2011. The group is pictured at the Brandenburg Gate which formerly separated East and West Berlin, but when the Berlin Wall came down in 1989, the Brandenburg Gate became representative of the unity of Germany.

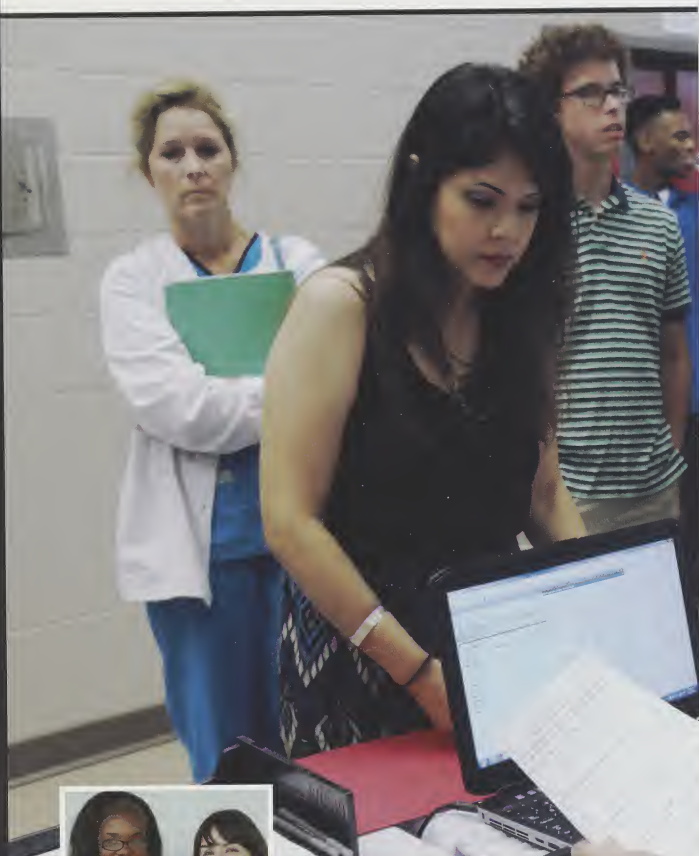

The Brindleys at the East Side Gallery, one of the few areas left of the Berlin Wall. It is about a mile long, and people from around the world have painted murals on the wall.

Brindley served as director of the Mid-Delta Arts Association's 1989 production of *Steel Magnolias*.

*The administration, faculty, staff, students, and alumni of MDCC are grateful to Mary Ruth Brindley for her life-long dedication to education in the Mississippi Delta.*

# ABOUT MDCC

Students at Mississippi Delta Community College enjoy all the perks of a larger university while enjoying a small town atmosphere where everyone knows your name.

MDCC President Larry Nabors confirms that "Mississippi Delta instructors are well-trained professionals who are truly dedicated to the success of their students, both in the classroom and in their future careers. We offer quality, collegiate level courses in small classes with individualized instruction." Such individualized instruction on a close-knit campus offers students a chance to enjoy college life in a home-like setting.

Vice President of Student Services Ed Rice encourages students to find their place at MDCC by getting involved: "Most students involved in some healthy activities outside of class get more out of their college experiences. So get involved. Find an organization to join. Knock on the doors at your residence hall and meet your neighbors. Go to an event at the Trojan Shield. Go to the library and check out a movie.

Move beyond the comfort zone of what you did before you came to college and see what happens."

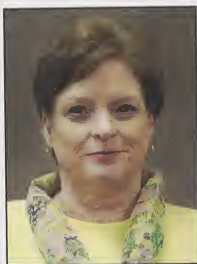

At Mississippi Delta Community College, students find first-class academic resources and faculty support, transfer options for those seeking a bachelors degree, career-technical programs, certifications in Health Science programs, and associates degree opportunities across the board. They also find a plethora of clubs, organizations, and intra-mural activities to get involved with. MDCC truly offers a well-rounded college experience to every student.

MDCC is committed to making every student's journey to success a forward-moving process. Improving both the lives of our students and the economic development of the communities we serve remain our top priorities.

Carol Walden

It has been another exciting year for Mississippi Delta with 2016 marking the college's 90th birthday. Since inception, MDCC has served the people of the Delta region of Mississippi.

Many campus improvement projects are coming to a close including the construction of the new \$4 million Vandiver Student Union. This

state-of-the-art facility will incorporate a student lounge, fitness center, game room, and a food court with an outdoor café.

Also notable for the 2015-16 academic year was the implementation of a new Student Succession Initiative. This new initiative was made possible through a \$3 million competitive grant awarded by the U.S. Department of Education. This initiative provides students with educational materials, technology, tutoring, academic advising, counseling, mentoring, career preparation, and cultural awareness services. Funding from the grant will also be used to increase postsecondary access and affordability and to improve teacher effectiveness through professional development.

Mississippi Delta continues to enhance the communication advisors and counselors have with students in order for them to gain control over achieving their academic and career goals through its Advising and Counseling Quality Enhancement Plan. The plan derives from the theory that students who are active in their academic planning will be more successful with their education and profession once they leave MDCC.

We continue to provide a quality education for our students as they are the heart of our institution. My sincerest gratitude to the faculty, staff, students, and members of the Board of Trustees for their continued support and trust in Mississippi Delta Community College.

Dr. Larry Nabors, President

Dr. Nabors and his wife Tonya have enjoyed the many events hosted on the MDCC campus this year, including the Homecoming Parade and the President's Circle Social.

# BOARD OF TRUSTEES

# LAMPLIGHTERS CONFERENCE

Three Mississippi Delta Community College instructors were among the state's best community and junior college faculty members honored at the prestigious Lamplighters Conference, on Oct. 20-22 co-hosted by Meridian Community College and East Central Community College in Meridian, Mississippi.

The first Lamplighter Conference was held in 1989 with the goal of bringing in outstanding instructors who could share ideas. "Lighting the lamp" of the participants was to provide them the opportunity to return to their own schools and light the lamps of their fellow instructors. The conference is designed to recharge and invigorate faculty who shine on their individual campuses, while also providing an opportunity to recognize faculty who go above and beyond

what is required. The program also gives effective instructors an opportunity to share with one another those teaching techniques that best promote learning.

MDCC teachers Jorene Pettiet, Christie Kisner and Frankie Chandler attended the annual three-day conference for professional development, entertainment, fellowship and fun.

Representing MDCC's English department, Jorene Pettiet of Leland is currently in her 8th year at Mississippi Delta Community College. She earned her bachelor's degree from Delta State University and her master's degree from Mississippi State University. Pettiet was the co-recipient of the 2015 Steinreide Grant.

An MDCC employee for 14 years, honoree Christie Kisner serves as the college's radiology clinical coordinator. A native of Baird, she received her bachelor's degree from Florida College of Health Sciences and her master's degree from University of Phoenix. Kisner and her husband, Robert Dale, and children, Matt, Taylor, and Reagan, attend Eastwood Baptist Church in Indianola, Mississippi.

Serving as a Career and Technical instructor for Heating, Ventilation, Air-conditioning and Cooling (HVAC) for four years, honoree Frankie Chandler is an MDCC Alumni. He is a graduate of the HVAC Program and continued studies at Delta State University and Mississippi Valley State University. He and his wife, Patrice, reside in Ruleville and have two children, Jacope Re and Franklin Pierce Chandler III.

# TROJAN SPIRIT AWARD

David Grant

David Grant has been named the 2015 Trojan Spirit Award recipient. The annual award, chosen by the Mississippi Delta Community College Alumni Association, recognizes a faculty or staff member for his or her distinguished service to the college.

Grant graduated from MDCC with an associates degree in Industrial electricity. While at MDCC, he was an active member of Skills USA and was a gold and silver medalist at the state level competition.

As a student, he received the Departmental Award for Industrial Electricity and was inducted into the National Technical Honor Society. He also graduated with honors from Mississippi Valley State University, where he earned a bachelor's degree in electronics technology.

As a loyal and strong supporter of Mississippi Delta Community College, Grant is a familiar figure at campus events and is active in all aspects of college life. He chairs Phi Theta Kappa, the National Technical Honors Society, and Trojan Tailgate, and is an active member of the Alumni Association board of directors. In addition, he was a driving force in the formation and success of the Trojan Grilling Competition.

On campus, Grant is known as the "go-to guy," as he is always available if something needs to be done or someone needs help. He is the first to arrive and the last to leave, and he brings to any task tremendous energy and a great attitude.

An innovative instructor, Grant often combines instruction with community service. Using a hands-on approach, his student projects have benefitted many members of the surrounding communities. Under his tutelage, through the Baptist Town Project, they have set up Katrina cottages in Greenwood for low-income housing. They also rewired and renovated a future classroom, rewired a shed for Holcomb Baptist Church, added circuits and lighting to the Moorhead Train Depot, and provided lighting for the Indianola Green Space. His MDCC peers also selected him for the Lamplighter Award this year.

Grant and his wife Monica are the parents of James Thomas, John Arthur, and Ava Bowles.

# FROM THE EDITORS...

Hey y'all! It has been such an awesome experience, blessing, and honor being an editor for the 2015-16 yearbook.

I would like to start off by saying I have thoroughly enjoyed working with Mrs. Hargett this past year. This yearbook would have been impossible without her. She definitely kept us on top of things. So, thank you Mrs. Hargett for this experience.

I would also like to say, as the only returning staff member, working with Hannah was great. She did an awesome job learning the program and designing her pages. It's not an easy task. She worked very hard and did exceptionally well.

Lastly, to the students, thank y'all for letting us put together all of the memories we made on campus this year. I hope y'all found that we portrayed all of your moments from this year with justice.

# FROM THE EDITORS...

Wow, what a year! It has been such an honor to be able to participate on the 2015-16 yearbook staff.

First, I would like to thank Mrs. Hargett for the opportunity. She has worked hard to organize our book, and she has especially helped us to meet our deadlines.

I would also like to thank the school. Mississippi Delta Community College has provided me with so many invaluable experiences, and I

am truly grateful to call myself a Trojan.

To the students of MDCC, thank you for being a part of this school. For whatever reason you chose to attend here, I hope you walk away with good memories of your time at Mississippi Delta Community College. And more importantly, I hope you have learned something here. If not from the classroom, I hope you have gained practical life experiences and perhaps a better picture of who you are, who you would like to become, and what it will take to get you there.
